

THE GOLD WEB

Chicago's current reigning psych lords **THE GOLD WEB** are seeking a 12 - 16 year old actor or actress to star in a music video for their song "**BLACKED OUT**" off their new album **Natural Born Mystic**.

We're looking for someone with a deep abiding love of rock and roll music, particularly the psychedelia and glam rock bands of the 70s but passion for any and all eras of rock music are welcome. Beginner guitar abilities are required. Audition will consist of a brief interview and lip sync/air guitar performance to a song of actor/actress's choosing.

Parental consent and presence is required. Shoot will take place over two days in mid-August at locations in the Chicagoland area.

This is a paid opportunity.

Please send any and all relevant pictures/video to holidaykirk@gmail.com for consideration.
