

BAILEY

A lemonade stand? So cliché. Not to mention the anemic profit margins.

BEN

But the market is ripe for disruption; slow foods lemonade.

BAILEY

But we need the kitchen back.

BEN

Soon. Hope this puts us ahead this month.

(to kids)

We finesse, we don't squeeze.

BAILEY

It's only fair that you cut me in --

BEN

The only words I hear coming out of your mouth are cliché and anemic.

BAILEY

Fine. But don't say I didn't try.

BEN

(noticing the kids siding
with Bailey)

Hey! You're stealing my employees!

BAILEY

It's a gig economy, big brother. You better adapt. And there are plenty of customers to go around.

BEN

You're going down!

BAILEY

Not without a fight.
