

INT. Day

We find MARY ELIZABETH, a prosperous-looking 70-something lady who cares passionately about our democracy. She's leisurely working a crossword or reading a magazine. She looks up and addresses the camera.

Mary ELIZABETH

When I go down? I go all the way down.

Ballot GFX

Mary ELIZABETH (V.O.)

Those down-ballot races for state and local office are just as important as the ones up top. So I vote down to the very bottom of my ballot.

On cam

Mary Elizabeth

(then, unashamed)

And, yes, I also like to sing Dixie.

But we bleep "sing Dixie" and blur her mouth.

Mary Elizabeth SMIRKS.

TITLE CARD: Vote to the bottom of your ballot.

ALT:

MARY ELIZABETH (CONT'D)

(wistful)

I do love a good bottom.
