

# ROOFER DIALOGUE

The following dialogue is from a scene within a video we're creating for a client in the roofing industry. In this scene, two "*bad roofers*" have knocked on somebody's door, insisting that their roof has suffered severe damage due to a recent storm. They claim that they just need a quick down payment of a few hundred dollars - in cash - to get started right away. They're lying, and intend to take the money and run.

BAD ROOFER 1 and BAD ROOFER 2 are standing in a front doorway. BAD ROOFER 1 is taking several dollar bills, one by one, from the person they intend to rip off.

BAD ROOFER 1

Thank you. Thank you. Yes, thank you. Oh, one more, yep!  
Perfect!

BAD ROOFER 1 and BAD ROOFER 2 start slowly walking towards their car.

BAD ROOFER 1 (CONT'D)

We'll get started right away, just need to grab something  
from the car.

*(To BAD ROOFER 2)*

Go, go, go! Start the car!

BAD ROOFER 2

I'm going, I'm going!

BAD ROOFER 1 and BAD ROOFER 2 get in their car and drive away.

*BAD ROOFER 1*

*(Leaning out of the car as it drives away.)*

Woo! Later, suckers!
