

Shazam

SHAZAM

I want to fight for the world as much as you do, Diana, but I do not want to bully it into submission! We've been following your leadership without question. Ask yourself, what type of leader doesn't want to hear questions?

Arthur Curry/Aquaman

AQUAMAN

A reminder. I am not some pathetic, self-appointed, insignificant leader who can be bullied into submission. Every port. Every ship. Everything that flies over the oceans does so with my blessing. Your world would grind to a halt if I willed it. Every landmass borders the sea. Your entire world is inside mine. Consider this a show of strength. Now. Get the hell out of my ocean.

Martha Kent

MARTHA

Look around us. He lived when his birth parents died. He lived when his world died. He lived when his city died. He lived when his child and wife died. I don't think he could lose anything else and live with himself.

Robert Chandler

ROBERT

While our own poll shows that most of Gotham is in favor of Superman's actions following the devastation of Metropolis, there are still quite a few who oppose.
