

Jumpstart is coming back! Jumpstart Friends is coming soon!  
I hope I have the rights to revive Jumpstart since it shut down on June 30, 2023.

Left to right: Frankie, Eleanor Elephant, Pierre Panda, Hops, Kisha, C.J., Edison, Casey Cat

Casey will return as the main character. Edison will return as well but unlike his previous appearance, he doesn't talk. He communicates by making buzzing noises.

**Frankie-** Frankie is the Jumpstart leader. He likes to help his friends when there's a problem.

**Casey Cat-** Casey is a cat who likes to do sports. He was dropped from the cast when the Jumpstart 3D Virtual World series was released. Casey returned in the Jumpstart Academy series but he wasn't the main character. He will return as a main character in the Jumpstart Friends series.

**Colossal Jumper "C.J."**- CJ is a frog who likes to explore with his sidekick Edison. Like his appearance in the Jumpstart 3D Virtual World and the Jumpstart Academy series, he is young and his hat covers his eyes.

**Hopsalot “Hops” Hare-** Hops is a gray hare like his appearance in the 90s. He wears a turquoise shirt that he wore in the Jumpstart Advanced series and he still wears glasses. Hops likes to do math and invent things.

**Pierre Panda-** Pierre is a blue and white panda. He likes to play instruments and he likes to listen to music when he’s relaxing.

**Kisha Koala-** Kisha is a gray koala. She likes to do arts and crafts.

**Eleanor Elephant-** Eleanor is a pink elephant. She likes to read books to herself, to her friends and her teddy bear. Eleanor can make up her own story and share it to people.
