JIM

Wanna wait for Dan inside?

Penny nods quickly.

CUT TO:

2

INT. DAN'S LIVING ROOM - NIGHT

Sitting side by side on the couch, Penny is frozen like a statue. Jim is eating his pizza like he is home alone.

Silence. The awkwardness is palpable.

Jim tries to break the awkward silence.

JIM

So...like...do you get paid?

PENNY

At work? Yeah.

JIM

Right. Is this like a big holiday for you?

PENNY

Oh, no, I get Valentine's day off.

JIM

Right but...wait...you're-

The front door bursts open to reveal DAN, twenty something, handsome, put together.

Penny jumps up from the couch and flings herself on him whispering in his ear.

DAN

Penny. Oh, what? You're- it's- what a surprise. I'm working. From home. That lingerie is really sexy...I'm very turned on right now.

PENNY

Well, I figured you could use a little work "break". Ya know what I mean?

KATELYN

Dan sweetie, did you get the wine from the backseat. Oh, hi. I'm Katelyn, you must be a (looking her up and down) 'friend' of Jim's.

START

(CONTINUED)

Silence. Everybody in the room besides Katelyn is putting together what a cluster fuck this situation actually is.

Wide eyed and terrified, Penny tries to cover everything up. Without moving her eyes from Katelyn she reaches beside her towards Jim's head and 'caresses' his head messing up his hair as he sits on the couch still in a "caring" manner.

Katelyn is weirded out by the "loving touch" and begins to exit the room.

KATELYN

I'm heading to the bedroom. (aside to Penny) Valentine's day is our favorite! This marks our two year anniversary!

Dan and Penny have locked eyes and not taken them off of each other. Pure shock. Penny awkwardly squeals and applauds for their long relationship.

Katelyn exits.

Everything erupts into a hushed argument.

PENNY

What the HELL?!

DAN

Ummmm-

PENNY

Shut your damn mouth, you dirty cheater!

DAN

Well-

PENNY

Stop talking! You don't deserve to explain yourself.

JIM

I'm a little confused.

PENNY

Jimmy, not now. How many? Literally. How many? OH MY GOD...I'M A WHORE!

JIM

Technically I think Dan would be the whore. You're only sleeping with one guy. Right?
