Web Series Synopsis: The owner of **The Status**, a notorious gossip website, crosses paths with a set of enterprising individuals: an overnight viral sensation, a chef with a criminal record, an owner of a NYC restaurant and his wealthy fiancée who wants her own reality show. The online scrutiny over their cautionary tales prompts her to reflect on who she has become, eventually leading her to uncovering a few secrets of her own. It's all fun and games until the truth comes out about you, what's your status?

Principle Character BIOS:

[Sophie] [GENDER: FEMALE] [AGE: Late 20's]

An owner of a popular website who's extremely reserved despite having the 411 on everyone else.

[Holly] [GENDER: FEMALE] [AGE: Late 20's]

An ambitious erudite who works for her fiancée as a restaurant manager. She just signed a contract to an event that will redefine her career but is distracted when she is presented with a prenup causing an emotional rift between her and her fiancé.

[Davis] [GENDER: MALE] [AGE: Early 30's]

A self made business man who turned tragedy into triumph. While away on business he meets a woman that challenges him to face his fears.

[Josep] [GENDER: MALE] [AGE: Early 30's]

Bitter over the past, he desperately tries to move onward and upward but his playboy ways keep getting in his way.

[Yuko] [GENDER: FEMALE] [AGE: Mid 20's]

An aspiring model possessing an unrefined personality becomes an overnight sensation and starts seeing a famous musician— who's still married.
