Play open October 21, 2017 with a small tour through Central Ohio

Do to the nature of the play this is also an opportunity a tool for those persons both victims and love ones going through the struggle of addiction who would like to utilize their talent for healing experience from addiction to be part of a life changing event in a non-judgmental environment we welcome the chance to work with you.

“Only God Can Change Me” focuses on the dark secrets that grip the dysfunctional Shepherd family, and the tragedies that follow as one of their own succumbs to the grip of heroin addiction. The matriarch of the family turns to God as the only answer to the family’s struggle.

This is a powerful and relatable account of the family’s battle against the ravages of addiction, and the powerful faith that can potentially bring redemption. “Only God Can Change Me” touches audiences so deeply, one commentator put it, “Whether you are the black sheep of the family, the peacemaker, the dreamer, the trouble-maker, or simply the glue that holds everything together, you’ll feel right at home with the Shepard family.”
