DAD
Someone was up working late last
night.

MOM
Guilty.

MOM (CONT'D)
(yawning)
I'm so tired.

DAD
Babe I told you, you have to make
time for yourself.

MOM
I know...soon. Right now I have to
get a package to the Post Office
before it closes.

CUT TO:

MARIE
Ma, we need groceries...

MOM
Not now. I'm in a rush...

MARIE
But...

MOM
Not now, Marie. I'll be back soon.

Marie's stomach growls LOUD.

MOM (CONT'D)
Sweetie, was that your stomach? You
ought to eat something.

Marie looks at her mom with a "ya think" look on her face.

MOM (CONT'D)
There's some BerryBran&Oats in the
cabinet.

MARIE
Do you really expect me to eat
that?

MOM
If you're REALLY hungry.

MARIE
(grimaces)
It'll make me grow armpit hair.

Mom ignores Marie and begins to open the door.

MARIE (CONT'D)
Ma, remember Maureen's coming over
this morning.

MOM
You know the rule. No company when
they're no adults home.

Marie starts to get a bit of an attitude.

Mom turns to look at Marie, she pauses for a second when she
notices Marie's outfit. She can't deal this, right now.

MARIE
But...

MOM
You and your brother's bathroom
looks like a cyclone hit it. I want
you to separate your laundry and
put a load in the washer.

MARIE
Can't.

MOM
Excuse me?

MARIE
There's no detergent.

MOM
Well separate the laundry at least.

MARIE
Ma, please can...

MOM
Maureen can come over once I'm
back if your chores are done; 15
minutes tops. Now lock the door
