

INT. LIBRARY, DAY

Mr.KUROYAMA (28) is slouching in the armchair, reading the book memo when his cellphone suddenly rings.

KUROYAMA (IN JAPANESE, ENGLISH
SUBTITLED)

(dully)

Hello, this is Kuroyama

NANA TANAKA

Hello, Mr. Kuroyama. This is TANAKA Nana, the journalist of the school newspaper. We are now writing a report of the ghost story, the KYOKO IN THE LIBRARY...I'm calling to ask whether Mr.Kuroyama could answer a few questions for us.

KUROYAMA

Ah, that's out of question.

NANA TANAKA

Thank you so much! I'll take some dessert for you, just wait me for 10 minutes!

Kuroyama stands up, looking at his reflection on the window makes a charming smile on his face when someone's knocking at the door.

NANA TANAKA (CONT'D)

May I come in?

Kuroyama is a little surprised for the girl being so quick and she turns out to be a charming beauty.

KUROYAMA

Yes, please.

Tanaka Nana comes in with a tiny cake.

NANA TANAKA

Please have some cake Mr. Kuroyama.

KUROYAMA

Ah...Thank you...Ah, yeah, I'm wondering why you are so quick...

NANA TANAKA

Really? I didn't notice that... Maybe it's too hot and made the time here speed up, haha...

KUROYAMA

And maybe it's me being to urgent to see you...hahaha...Alright, questions for me?

NANA TANAKA

Ok, let's just jump to the point. I've heard that Mr. Kuroyama has been working here for years, so have you heard about ghost story called KYOKO in the library.

KUROYAMA

Absolutely. But they are all bullshit. Never invite Kyoko into your room otherwise she would never go out. Never eat the food from Kyoko otherwise you would commit your soul. Never lie to Kyoko otherwise you would get punished. And make friend with Kyoko, then you could have one wish come true... hahaha. Don't freak out girl. These are just childish rumors. Every high school would have these kind of ghost stories.

NANA TANAKA

I've heard that Kyoko was actually a student studying here and she committed suicide... That's why her ghost remain wandering here...

KUROYAMA

Yeah, it's said so but...it's been decades from now..Hey, don't you wanna see the terrace Kyoko committed suicide?

Nana nods her head and follows Kuroyama to the terrace of the library. The terrace is now being surrounded with signs of "Be Careful" all around.

KUROYAMA (CONT'D)

Don't be scared, girl. I'll protect you if the wicked Kyoko shows up, hahaha.

NANA TANAKA

Ah, I'm good. I'm just thinking about SAYAKO. How could she die that young?

KUROYAMA

Ah, that poor girl. Walking on the rim and fell off by accident...What a pity...You do believe she died for the stupid curse of KYOKO?

NANA TANAKA

Oh, not really... But it's her death reminds me of the rumors about KYOKO...

KUROYAMA

Oh, that's bullshit.

Flash back

KYOKO(16) is reading in the library and her young teacher(25) comes over to talk to her. Day by day, they becomes closer and finally they kiss behind the shelf. However as time passed, they get in a big fight on the terrace.

NANA TANAKA

(v.o.)

I've heard Kyoko was a lonely girl who always found it hard to have a friend. So she stayed in the school library all the time. And just because of that, her teacher, who's also the assistant of the school library noticed her. The poor girl fell in love with her teacher however, afraid of responsibility and the rumors, the young man regretted to accept her love and asked her to forget him. She was in despair and threatened to go public with their relationship...

END FLASHBACK

KUROYAMA

(murmuring)

Stop..Stop it...Sounds like you really saw these...

NANA TANAKA

Ah,I heard the story from SAYAKO. Are you alright? Mr. Kuroyama, you looks not feeling well...

KUROYAMA

I-I-I'm fine...It's just..Wait, you said...SAYAKO...THE SAYAKO?

NANA TANAKA

KUROYAMA
Ah..really? I thought...she had no friends...

NANA TANAKA
Yeah, so she stayed in the library all the time, trying to make friend with the KYOKO, ah, and that's why she met you, right? Mr. Kuroyama.

KUROYAMA
Bullshit! Don't mix up the stupid ghost story and the reality! SAYAKO just fell off here by accident!

NANA TANAKA

KUROYAMA
What...?

NANA TANAKA
(murmuring)
SAYAKO, was killed, right here...

KUROYAMA
WHO...WHO ARE YOU?

Just at the meantime, the cellphone of Kuroyama rings.

NANA TANAKA
(laugh out loud)
Hey, don't you answer your phone?

Kuroyama picks up the phone and there's a voice of a girl saying "Mr. Kuroyama, I'm now at the school gate. Sorry for keep you waiting for so long..." That's the real Tanaka Nana. Kuroyama drops his phone, trembling. He looks at THE NANA by the rim of the terrace, she really looks like someone else...

KUROYAMA
W-W-Who...What exactly are you...

NANA TANAKA
Remember? You invited me in..And by the way, is it delicious? My cake?

FLASH BACK

Nana comes in and invites Kuroyama to eat the cake she brings.

KUROYAMA

(v.o.)

room.... Never eat the food from

pushes her off..

KUROYAMA (CONT'D)

(kneels down and cries)

I-I-I...I did it!

(MORE)

KUROYAMA (CONT'D)
SAYAKO threated me to go public
with our relationship .. which
freaked me out...So...I ..

End Flashback

Nana smiles blackly, just like KYOKO or SAYAKO, she hugs the
despairing young man from his back.

TANAKA NANA
(whispering)
Kyoko loved you so much... She
would never publish your secret
relationship...The only wish of her
is to be with you
forever...forever...

Flashback

KUROYAMA
(v.o.)
...make friend with Kyoko, then you
could have one wish come true...

TANAKA NANA
(v.o.)
Yeah, Sayako was my friend.

End Flashback

The man with the girl hugging him from the back is already at
the rim of the terrace. The girl plaintively smiles and jumps
down with the man.
