

INT. SINATRA'S ROOM- SAME NIGHT

Woman throws him on the floor and has him tied up to a BEDSPRING standing up. He wakes up and sees Sinatra's face.

TONY

You?! Why do you have me tied up?!

SINATRA

Shut up! Your the reason I'm this way.
I don't know why you spared me.

Troy creeps outside the door. He cracks the door open and overhears the woman.

SINATRA(V.O.)

You don't just kill an eight year olds
parents like that. I was only a little
girl.

She is examining the table with different BLADES on it. Then glances at a MACHETE.

TONY(V.O)

Hey. Your father should of been
fucking around with people like me. He
paid his price.

She grabs the MACHETE from the table and puts it to his NECK. Troy realizes who the killer is and charges in.

TROY

Sinatra! Oh my God Dad!

SINATRA

Dad!

TROY

It was you. Your the serial killer
that attacked me!

He gets closer to Sinatra and then she points the Machete at Troys neck.

SINATRA

Your father is the reason my parents
died.

TROY

But I thought..

SINATRA

Thought there was a house fire yes,
but caused by him. He took what
belonged to me dearly.

TROY

What? Why Dad.

TONY

Son you gotta understand. Her father
played me. It was only business.

SINATRA

Shut up! Troy I will have my vengeance
one way or another.

TROY

Sinatra I love you! We could walk away
from this all and start over. Please
Sinatra!

Sinatra walks up to Troy and kisses him. While kissing him
she stabs his back and cries. Troy falls and starts to bleed
out.

SINATRA

(in tears)

I love you to.. But I'm sorry. I need
to do this.

Troy lies stiff on the floor.

TONY

Troy!

She turns around and slashes Tony.

TROY

You're dead to me.

Cops break down the door and throw Sinatra to the ground. She
is trying to resist.

COPS

Sinatra, You are under arrest for
third degree murder.

Sinatra is being hand cuffed. She's laughing hysterically.

SINATRA (V.O.)

I did love you Troy. But you won't

accept me. I'm a killer always have
been, always will. No escaping this.

FADE OUT.
