

Roles for Kesler the Movie

This is a casting call for a short feature film (~60 min) about Kesler (who is already casted) who is a sophomore in college looking to start his dream career as a Hip-Hop musician. However, he must find a new path to freedom when he gets rejected from the music program at his school.

MALE | 18-25 | ANY RACE

GUS

Gus is Kesler's best friend. He is always playing some type of video game whether it be candy crush or GTA. He wants to diverge from the controlling school system he is in, but doesn't have the courage or the drive to do so. Instead, he does the bare minimum and sees no way to change his situation. He is a pessimist who finds some hope in Kesler's drive and optimism.

FEMALE | 18-25 | ANY RACE

ANN

Ann is in love with her school. Almost more so than with her boyfriend, Kesler. She is incredibly determined to make her life turn out exactly how she planned it. Anything that isn't going according to her plans, she will try her best to change it rather than changing her plans. The school system has done wonders for her so far and she is the perfect student. She wants to convince Kesler to embrace the school's method like she has.

MALE | 30-60 | ANY RACE

CHANCELLOR CEIL

Chancellor Ceil runs the college that Kesler, Ann, and Gus attend. He believes that his way is the only way. He knows what is best for each and every one of his students, so any of them that try to find another path to success is foolish. He doesn't care what his students want to do, because he knows what they should do. However, He does care about his students even if they don't see it that way.

FEMALE | 18-30 | ANY RACE

RAVEN

Raven is the definition of “rebel”. She dropped out of college early and became the head promoter/manager at a secret club. She spends time finding new acts and getting bigger and bigger crowds to come to the club. She doesn’t like how the school restricted her options in life, so she dropped out to be free. She would bring down the whole system if she could. However, she seems to know more about how the world works than she lets on.

MALE OR FEMALE | 18-60 | ANY RACE

INFO WORKER

This is not a huge role, but the info worker runs the train station and has interactions with Kesler in a very “matter of fact” way.

MALE OR FEMALE | 30-60 | ANY RACE

PROFESSOR 1 & 2

These are professors in the college.

MALE OR FEMALE | 30-60 | ANY RACE

ADVISOR

This is Kesler’s advisor and the person who interviews him at the beginning.

MALE OR FEMALE | 18+ | ANY RACE
