TWINS & WANNABE TWINS!

A new television series is looking for **inseparable duos:**

If you're twins, siblings, best friends, a parent and child, or a romantic couple, we want to hear from you!

Do people think you and your twin are way too close? Are you dating someone who looks exactly like you? Have friends and family tried to stage an intervention between you and your other half?

If you're obsessed with one another in the best way, go to extreme lengths to look alike, be alike, or spend every second together, we'd love to hear what makes you inseparable! Why are you and your "twin" perfect for this?

ALL SUBMISSIONS MUST INCLUDE PHOTOS, CONTACT INFORMATION AND A BRIEF DESCRIPTION OF YOURSELVES & YOUR RELATIONSHIP. Email subject line: SEEING DOUBLE to scenecasting2020@gmail.com

**Heavy social media presence a plus. **
