## SPUNKY WOMEN IN THEIR *70s-80s*

**Acting experience preferred but not required!!**

An NYU Thesis Film feminist dark comedy about older women in a bathhouse rediscovering their youth, importance, and overall, electricity.

\*We hope to have all older women represented on screen-- we encourage people of all different ethnicities to audition!

\*Comfortable with nudity on camera (a plus but not necessary!)

\*Range of comedy to drama abilities but again, acting experience isn't necessary.

\*If you specifically are a breast cancer survivor with a mastectomy scar, there is a leading role for you.

\*Nonunion actors is required through NYU at this time

**We look forward to working with you and creating a beautiful film together.**
