to me.

LAWERENCE

I never wanted to let you down.

LARRY CROFT

Son the one thing I have always taught
you is t be the man you want to be and
stand behind it. Stand firm, be
confident and own who you are. In life
I was flawed, but I have watched you
every second I have been in heaven.
And Lawrence I love you son. I want
you to be happy. I want you to be you.
